Optional Coverage

There will be many other events associated with your wedding and you may wish to have coverage for some of these special moments in addition to the big day...

Engagement - \$249

A lifestyle portrait session in advance of the wedding day.

An easy way to satisfy yourself that you will be happy with the services we provide is to meet is before the big day in an informal and relaxed setting. You can see how we work and what we do to make you happy. These sessions may be done on-location or in-studio.

Rehearsal - \$249

Candid coverage of the rehearsal / rehearsal dinner.

There are often many light-hearted moments at the rehearsal of the ceremony or at the dinner or party that follows and you won't want to forget them. The rehearsal is also a great time for us to get to know you and all of your key friends and family members.

Trash the Dress - \$249

An irreverent and fun-filled portrait session after the wedding.

Make your declaration that the wedding is over and that the dress will never be used again. Wear it one last time for an epic photoshoot where you get down and dirty, and so does the dress! This is a great alternative to wrapping the dress in plastic and storing it in a box in your closet, never to be seen again.

Reception Photobooth

Fun for your guests with a Portable Portrait Studio.

We can provide booths to create formal portraits of each of your guests as they arrive at the event, crazy pictures of the attendees with silly props (like feather boas, sunglasses, and fake moustaches), or anything in between. Digital files for later use, on-site printing of 4x6 or 5x7 prints, animated slideshows, and custom photobooks are all available options.

See <http://www.CalgaryCustomPhotobooths.com> for more information and pricing.

Digital Images for Optional Coverage are included with the digital images for your wedding day coverage. If wedding day coverage is not selected then digital images may be purchased separately.
